A woman in a white long-sleeved shirt and dark pants is walking through a wooded area. She is carrying a large bundle of sticks or branches on her back, secured with a dark strap. The background shows trees and a body of water. The text "De-professionalization of culture" is overlaid on the image in a white, bold, sans-serif font.

De-professionalization of culture

not-for-pay

Outside the copying machine

A large, textured globe of the Earth is the central focus, showing continents and oceans in shades of brown, orange, and red. A smaller, more detailed globe is positioned on the right side of the larger globe, appearing to be a satellite or a smaller-scale model. The background is dark and indistinct.
